*Public comment:*

- Skip Smith said he was having difficulty obtaining names for the veteran memorial plaque for those from Orange who served between the WWII and the Gulf war, perhaps due to the Privacy Act of 1974. He asked if the Board would draft letters and request help from Senators Shaheen and Hassan in obtaining the veterans' names. After discussion, it was agreed by Skip and the Board to first have Tamara follow up before the letters are drafted.
- Dave showed the Board the medallion celebrating the 100<sup>th</sup> anniversary of the American Legion.
- Skip asked if the Board had followed up with Scott Sanborn to update the town's tax maps. Dorothy affirmed that the Board had sent him a letter of request to do so but had not yet gotten a response. They will ask him again. It was agreed that they would like to continue to have the property owner's names on new maps.
